SUB-FUND SUITABILITY

WHO IS THE SUB-FUND SUITABLE FOR?

The ILP sub-fund is only suitable for investors who:

- are looking to maximise total return through a combination of both income and capital growth.
- are looking for a diversified exposure to fixed income markets that are economically tied to emerging market countries and are willing to accept the risks and volatility associated with investing in such markets; and
- have an investment horizon over the medium to long term.

An investment in the ILP sub-fund should not constitute a substantial proportion of an investment portfolio.

Further Information

Refer to "Investment Objectives and Policies" of the Underlying Fund's Supplement for further information on sub-fund suitability.

KEY FEATURES OF THE SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing in an ILP sub-fund that feeds 100% into the Underlying Fund, which is an umbrella type open-ended investment company incorporated with limited liability under the laws of Ireland, authorised by the Central Bank of Ireland as a UCITS.
- The investment objective of the Underlying Fund is to seek to maximise total return, consistent with prudent investment management.

Refer to "Investment Objectives and Policies" of the Underlying Fund's Supplement for further information on features of the sub-fund.

¹ For ILP sub-fund that feed 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

² In order for units in the ILP sub-fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP sub-fund, and investment approach of the manager have to be stated in the product summary:

- (a) to invest only in deposits or other Excluded Investment Products; and
(b) not to engage in securities lending or repurchase transactions for the ILP sub-fund.

The definition of "Excluded Investment Product" can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <https://www.mas.gov.sg/regulation/notices/notice-faa-n16>.

³Launch date is based on Zurich launch date on 02 April 2012.

Primary Investments	Average Portfolio Duration	Credit Quality						
Emerging Market Fixed Income Instruments	+/- 2 years of its index	Max 15% below B						
<ul style="list-style-type: none"> The Underlying Fund seeks to achieve its investment objective by investing at least 80% of its assets in Fixed Income Instruments of issuers that economically are tied to countries with emerging securities markets. Such securities may be denominated in non-U.S. currencies and the USD. The Underlying Fund is likely to concentrate its investments in Asia, Africa, the Middle East, Latin America and the developing countries of Europe. The Underlying Fund may invest all of its assets in high yield securities that are in default with respect to the payment of interest or repayment of principal, or presenting an imminent risk of default with respect to such payments subject to a maximum of 15% of its assets in securities rated lower than B by Moody's or S&P or equivalently rated by Fitch (or, if unrated, determined by the Investment Advisor to be of comparable quality). The Underlying Fund may use derivative instruments such as futures, options and swap agreements and may also enter into currency forward contracts. Derivative instruments may be used for (i) hedging purposes and/or (ii) investment purposes and/or (iii) efficient portfolio management. The Underlying Fund is considered to be actively managed in reference to the Index, which the Underlying Fund uses for duration measurement, calculating its global exposure (using relative VaR methodology) and performance comparison purposes. However, the Index is not used to define the portfolio composition of the Underlying Fund or as a performance target. 								
Parties Involved								
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> The Manager of the Underlying Fund is PIMCO Global Advisors (Ireland) Limited. The Investment Advisor of the Underlying Fund is Pacific Investment Management Company LLC. The Sub-Investment Advisors of the Underlying Fund are PIMCO Europe Ltd., PIMCO Asia Pte Ltd, PIMCO Europe GmbH and PIMCO Asia Limited. The Depository of the Underlying Fund is State Street Custodial Services (Ireland) Limited. 		<p>Refer to "Management And Administration" of the Underlying Fund's Irish Prospectus and paragraph 28 of the Underlying Fund's Singapore Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.</p>						
KEY RISKS								
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The value of the ILP sub-fund may rise or fall. The following key risk factors may cause you to lose some or all of your investment:</p>		<p>Refer to "General Risk Factors" of the Underlying Fund's Irish Prospectus and "Risk Factors and Use of Derivatives" of the Underlying Fund's Singapore Prospectus for further information on risks of sub-fund.</p>						

Market and Credit Risks										
<ul style="list-style-type: none"> • You may be exposed to credit risk as it could lose money if the issuer or guarantor of a Fixed Income Security in which it invests, or counterparty to a derivatives contract, is unable or unwilling to meet its financial obligations. The Underlying Fund may invest all of its assets in high yield securities that are in default with respect to the payment of interest or repayment of principal, or presenting an imminent risk of default with respect to such payments. • You may be exposed to currency risk as changes in exchange rates between currencies or the conversion from one currency to another may cause the value of the Underlying Fund’s investments to diminish or increase. • You may be exposed to interest rate risk as the value of Fixed Income Securities held by the Underlying Fund is likely to decrease if nominal interest rates rise. 										
Liquidity Risks										
<p>The ILP sub-fund is not listed on the Singapore Exchange and you can redeem only on Business Days through Singapore Life Ltd. In respect of Singapore investors, there is no secondary market for the ILP sub-fund.</p>										
Product-Specific Risks										
<ul style="list-style-type: none"> • You may be exposed to the risks from the Underlying Fund’s use of derivative instruments, as described in the Underlying Fund’s Irish Prospectus, such as liquidity risk, interest rate risk, market risk, credit risk and management risk. Derivatives will typically be used as a substitute for taking a position in the underlying asset. • You may be exposed to global investment risk as securities of certain international jurisdictions may experience more rapid and extreme changes in value. • You may be exposed to high yield risk such as greater levels of interest rate, credit and liquidity risks than Underlying Funds that do not invest in such securities. • You may be exposed to emerging markets risk as it invests in securities of issuers based in developing economies which may present market, credit, currency, liquidity, legal, political and other risks different from, and potentially greater than, the risks of investing in developed foreign countries. • You may be exposed to risks from directly investing in Fixed Income Instruments traded on China Inter-Bank Bond Market (“CIBM”). The Underlying Fund may be exposed to liquidity risks, settlement risks, default of counterparties and market volatility associated with CIBM. 										
FEES AND CHARGES										
<p>WHAT ARE THE FEES AND CHARGES OF THIS INVESTMENT?</p> <p><u>Payable directly by you</u> There is currently no Switching Fee for fund switching. Sales and/or Surrender Charges may be applicable as described in the relevant Product Summary. However, Singapore Life Ltd. reserves the right to review and amend the Fees and Charges.</p> <p><u>Payable by the Underlying Fund from invested proceeds</u> The Underlying Fee will pay the following fees and charges to Manager and other parties. The fees payable to the Manager shall not exceed 2.5% per annum of the NAV. The fees and expenses of the Investment Advisor, the Administrator and Depositary, shall be paid by the Manager from the Management Fee.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager's pricing. The fund prices are updated daily and are available at Singapore Life Ltd.'s website at www.singlife.com.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP sub-fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
 - (a) before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
 - (b) after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP sub-fund will have a single "dealing" price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP sub-funds will be priced based on the frequency of the fund manager's pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application. This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days' prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities.
- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:
 - For a partial withdrawal request of 1000 units of an investment-linked fund.
 - Assuming the unit price of the fund is S\$1.50:
The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.
