Immediate family members include:

When the maximum age of coverage is attained during the policy year, the insurance coverage will be terminated at the end of that prevailing policy year. Each policy year runs from 1 July to 30 June of the following year, regardless of the commencement date of the Insured Member's cover.

[^]Only applicable if the public officer and their spouse have opted in for the Extended Years Coverage. Otherwise, the maximum age of coverage for the public officer and their spouse is 65 years old.

PUBLIC OFFICERS GROUP INSURANCE SCHEME (POGIS) PRODUCT SUMMARY

Free coverage for children

A child aged 12 months to 6 years old is eligible for the free child cover, provided both parents are insured under POGIS. The sum assured for the child will be based on the lower sum assured for the parents if the two parents have a different sum assured. Once the child reaches 6 years old (i.e. 6th birthday), the prevailing monthly premium for the child's sum assured will be charged.

If both parents are public officers and wish to enjoy free coverage for their child, they would have to apply for POGIS on the basis of a main applicant and spouse. If they apply for POGIS separately (i.e. both as main applicants), their child will not be eligible for the free coverage.

Extended Years Coverage

Public officers will be notified via a letter before they turn 65 years old, to opt in to extend their coverage (under "Extended Years Coverage") up to 75 years old. This also applies to the following groups of public officers who:

- Leave the public service under age-limit/early/optional retirement; or
- Retire on medical grounds; or
- Leave the public service under the Special Resignation Scheme, Special Exit Scheme, and Special Gratuity Scheme.

Public officers could choose to extend their coverage beyond 65 years old without underwriting if the sum assured is not increased (subject to the maximum sum assured of S\$500,000). If the reduced sum assured results in a higher sum assured for their spouse, their spouse's sum assured will be reduced to the same sum assured as theirs.

When the maximum age of 75 years old is attained during the policy year, the insurance cover will be terminated at the end of that prevailing policy year.

The total Sum Assured of an Insured Member for Critical Illnesses coverage and Early Critical Illnesses coverage must not be more than the Sum Assured of that Insured Member for Term Life coverage.

Continuation of dependants' coverage

The public officer's spouse and children can continue to be covered under POGIS up to the maximum age limit even if the public officer has passed away. The coverage for the child will last till the child is 25 years old. The coverage for the spouse will last till the spouse is 65 years old or 75 years old if they have opted in for the Extended Years Coverage. When the maximum age for the child and/or spouse is attained during the policy year, the insurance cover will be terminated at the end of that prevailing policy year. Premiums will still have to be paid by the due date.

PUBLIC OFFICERS GROUP INSURANCE SCHEME (POGIS) PRODUCT SUMMARY

Renewal and Termination of Cover

- Insurance coverage will automatically be renewed every policy year at the prevailing premium rates until the public officer and their spouse reaches 65 years old (or 75 years old if the Insured Member has opted in for the Extended Years Coverage) and/or their children reaches 25 years old. If the maximum age is attained during the policy year, the insurance will be terminated at the end of that prevailing policy year.
- The public officer may give notice in writing directly to Singlife during a policy year stating that he wishes to terminate one or more of the coverage set out in the Certificate of Insurance issued to him. The cover will be terminated at the end of the same month upon Singlife's receipt of the notice.
- Insurance coverage for an Insured Member will immediately cease under any of the following circumstances:
 - Upon expiry of the grace period of 30 days if premium is not paid;
 - When the full sum assured is paid out for that Insured Member;
 - The entire policy is terminated by the Master Policyholder;
 - Employment at the ministry, statutory board or organ of state has ended. The Insured Member is required to inform Singlife to terminate the coverage. Public Officer can apply for portability option within 30 days from the last day of employment.
- Insurance coverage for the spouse will also terminate if the public officer is separated or divorced from the spouse.
- In the event of death of the public officer, the coverage for spouse and children will automatically continue up to the expiry of the Master Contract or the date the spouse or children cease to be eligible for cover, whichever is earlier, provided premiums are paid.
- Any premium received after the termination of the coverage is without prejudice and shall not be construed or deemed to be a continuation or reinstatement of the coverage. Any such premium received shall be returned to the Insured Member.

Free Look Cancellation

You have 14 days from the time you receive your Certificate of Insurance ("COI") to decide whether you want to continue with it. If you do not want to continue, you may write to us to cancel your COI. As long as you have not made any claim under your policy, we will cancel your coverage from the COI issue date and refund the premium paid, without interest and less any expenses incurred in considering your application and issuing your policy.

Your COI is considered delivered to and received by you seven days after we post it.
